204.3. INDIVIDUAL SCRATCH RULE - Swimmers shall inform themselves of the meet starting time and shall report to the proper meet authorities promptly upon call. The meet information shall specify all mandatory check-in and scratch deadlines and procedures.
- 204.3.2 Events Seeded on the Deck - Any swimmer entered in an individual event that is seeded on the deck, in whole or in part, who has checked in for that event, must swim in the event unless he notifies the clerk of course before the seeding for that event has begun that he wishes to scratch. Failure to scratch prior to seeding and not swimming the event will result in the swimmer being barred from the next individual event in which the swimmer entered in the meet. Unless the meet information states otherwise, events seeded on the deck shall be closed for seeding no later than thirty (30) minutes prior to the start of the event except that individual events of 400 yards or longer may be closed for seeding up to twenty four (24) hours before the expected start of the event if the check-in/scratch deadline occurs after the beginning of the meet and is announced in the meet information.
- 204.3.4 Exception for Failure to Compete - No penalty shall apply for failure to compete in

- A The Referee is notified in the event of illness or injury and accepts the proof thereof.
- B The swimmers qualifying for an A final or B final race based upon the results of the preliminaries notifies the Referee within thirty (30) minutes after announcement of the qualifiers of that final race that they may not intend to compete and also declares his final decision whether or not to scratch within thirty (30) minutes following his last individual preliminary heat, swim-off, or re-swim.
- C It is determined by the Referee that failure to compete is caused by circumstances beyond the control of the swimmer.

All events will be swum as timed finals.

All events will be swum slowest to fastest.

The 2009-2013 quadrennial time standards available at the time of sanctioning will apply for determining entry eligibility.

Distance Events:

All events 400 yards and longer will be deck seeded. The 11-12 200 IM will also be deck seeded. Positive check-in for those events will be required and will close 30 minutes after the start of warm-ups for that session. Swimmers who do not check in by the deadline will be scratched and not seeded in the event.

Each swimmer in the 500 Free and 1000 Free must provide their own timer and counter.

Relays:

All Relay events will be swum as timed finals in the session indicated in the Order of Events. All swimmers entering relays must be listed on the entry sheets. Relay entries should be by standard age groups (10 & Under, 11-12, 13-14, and 15 & Over) and will be deck seeded and swum by entry times.

Relay sheets with the names and order of the relay swimmers must be delivered to the clerk of course not later than (NLT) the conclusion of the fourth event for that session:

- 13 & over 200 Free Relay Saturday - NLT the conclusion of the 50 butterfly;
- 12 & under 200 Medley Relay Saturday - NLT the conclusion of the 50 backstroke;
- 13&over 200 Medley Relay Sunday - NLT the conclusion of the 100 butterfly;
- 12 & under 200 Free Relay Sunday - NLT the conclusion of the 50 breaststroke;

Competition Courses:

All sessions will be swum in either an 8-lane or a 10-lane competition course. Meet management reserves the right to conduct a given meet/session in either course as necessary to best serve the athletes, officials, and families and comply with timeline constraints.

Timeline and Meet Entry Constraints:

Meet Management reserves the right to combine events as needed and reserves the right to limit the number of heats in any event 400 yards or longer as well as the right to limit overall entries in order to maintain reasonable and allowable timelines.

Unqualified Entries:

It is an infraction for NCS clubs to enter athletes in an event in an NCS sanctioned meet without the relay or swimmer meeting the minimum required qualifying time for that event. Any such unqualified entries, those that do not meet the stated time standards, may be subject to protest and/or a fine from NC Swimming. Unqualified entries identified prior to the start of the meet will be scratched without refund. An unqualified entry is defined as an entry for an event with a qualifying time standard that can not be substantiated by results available in the USA Swimming database at the time of the meet entry deadline.

Safety:

The NCS Safety Program is in effect for this meet. Coaches are advised to closely supervise their swimmers at all times. **NO running or horseplay will be tolerated. NO blocking of fire exits, which includes doors and passages.**

Access to the pool deck is restricted to athletes, credentialed coaches and officials, pool staff, and meet volunteers only. No other individuals will be allowed on the pool deck during warm-ups or competition.

Eligibility:

General:

All athletes must be registered with USA Swimming, Inc. Registrations will be checked according to NCS rules. Out-of-LSC clubs must submit an official copy of their roster along with their entries.

Senior Meet:

Swimmers entered in the Senior 400 IM and 500 Free must have achieved at least the 13-14 BB time for those events. Swimmers entered in the Senior 1000 Free must have achieved at least the 13-14 BB time for that event or the 13-14 A time in the 500 Free. There are no time standards for the other Senior Meet events.

Age Group Meet:

Swimmers entered in the 10 & Under and 11-12 100 and 200 yard events must have achieved B times or better for their age group in those specific events or in the corresponding long course events.

Swimmers entered in the 11-12 400 yard and longer events must have achieved BB times or better for that age group in those specific events or in the corresponding long course events.

Entries:

General:

All entries should be submitted in Hy-tek format, and will be matched to the appropriate event by the event number. Entries may be submitted via email. However hard copies of each entry, showing the swimmers' ages as of Oct 16, 2009 must be included in the normal post delivery along with the summary sheet, team checklist and payment. Teams are encouraged to contact the Meet Director as soon as possible with an estimate of the number of athletes they intend to enter if they plan to participate in this event and to submit their entries as soon as possible to ensure their participation in the meet. **All entry information must be received by 5:00 pm on Tuesday October 6, 2009.**

Teams will be required to resubmit their entire corrected meet entry file to resolve any meet entry issues as the meet staff does not have the capacity to correct entries for individual swimmers or events. If meet entries must be limited, they will be accepted in the order in which final and completely correct entry files and complete payment of all entry fees are received until the meet capacity is reached.

There will be no "ON DECK" registrations accepted. **Swimmers whose registration can not be confirmed by 6:00 p.m. Thursday, October 15, 2009 will not be allowed to swim in the meet, and their entry fees will not be refunded.**

'NO TIME' entries WILL NOT be accepted for this meet, and any NT entries submitted will not be imported into the meet database. Swimmers with NT events may swim in events without time standards and should be entered with their estimated times. Note however that estimated times should NOT be used to 'qualify' swimmers for an event where there is a minimum time standard as that is an infraction of NCS By-Laws and may be scratched without refund or subject to protest and/or a fine (see above).

Senior Meet:

Entries for the Senior (13 & Over) 50 yard stroke events (backstroke, breaststroke, and butterfly) should be submitted using 50 yard event times. Estimated 50 yard times will also be accepted. Submitting corresponding 100 yard event times may result in an athlete being seeded in the slowest heat(s).

Entries for the Senior (13 & Over) 100 yard IM should be submitted using 100 yard IM times. Estimated 100 yard IM times will also be accepted. Submitting corresponding 200 yard IM times may result in an athlete being seeded in the slowest heat(s).

Age Group Meet:

Entries for the 11-12 500 Free events may be required to provide proof of the entry time including the meet and date where time standard was achieved. **In the event that any entries cannot be confirmed prior to the start of the meet as meeting time standards, those entries will be scratched, and those entry fees will not be refunded.** Any unqualified entries not identified prior to the start of the meet will be subject to the penalty outlined above.

Entry Limit:

General:

Swimmers who are entered in more than the allowed number of events will be automatically dropped from the event(s) that put the swimmer over the limit. No refunds will be given for inappropriate entries.

Senior Meet:

Swimmers in the Senior Meet are limited to 4 individual events and 1 relay per session **NOT TO EXCEED 9 INDIVIDUAL EVENTS FOR THE MEET.**

Age Group Meet:

Swimmers in the Age Group Meet are limited to 4 individual events and 1 relay per session **NOT TO EXCEED 9 INDIVIDUAL EVENTS FOR THE MEET.**

The Age Group (12 & Under) Meet sessions will be limited to 4 hour timelines for each session using an appropriate heat interval. Entries will be accepted in the order in which correct and accurate entry files and full payment are received up to the entry deadline (see Entries information above). In the event that a team's entries causes the meet to exceed the 4 hour timeline limit, that team will be asked to reduce their entries to stay within the timeline.

Entry Deadline:

Entries will be accepted beginning September 16, 2009. Teams are encouraged to submit their entries early to insure that they get into the meet before it fills up. Entries will close the earlier of:

- (a) **5:00 p.m. Tuesday October 6, 2009** or
- (b) when the sessions reach an estimated 4 hours in length.

Swimmers will be entered into the meet in the order entries are received as long as entry fees are received by Tuesday, October 6, 2009. A completed entry summary sheet should be included with the payment. Teams with unpaid entry fees on Tuesday evening, will drop to the bottom of the list, potentially removing them from the meet if we need to turn away entries to stay within the 4 hour rule.

Telephone entries and fax entries will not be accepted. Entries will be time-stamped upon receipt in the event that we are unable to accommodate all teams and need to limit entries. Late entries may be accepted at the discretion of the Meet Director but will be charged double entry fees. As the meet capacity is met, teams will be notified by telephone or email if their entries cannot be accommodated, and entry fees will be refunded. **NO OTHER REFUNDS WILL BE MADE.**
