The meet will be conducted in accordance with the current USA Swimming Rules and Regulations and the NCS Safety Program, except where rules therein are optional and exceptions are herein stated. Use of audio or visual recording devices, including a cell

phone, is not permitted in changing areas, rest rooms or locker rooms.

The North Carolina Scratch Rule will be in effect for this meet. For example:

204.3. INDIVIDUAL SCRATCH RULE - Swimmers shall inform themselves of the meet starting time and shall report to the proper meet authorities promptly upon call. The meet information shall specify all mandatory check-in and scratch deadlines and procedures.

204.3.2 Events Seeded on the Deck - Any swimmer entered in an individual event that is seeded on the deck, in whole or in part, who has checked in for that event, must swim in the event unless he notifies the clerk of course before the seeding for that event has begun that he wishes to scratch. Failure to scratch prior to seeding and not swimming the event will result in the swimmer being barred from the next individual event in which the swimmer entered in the meet. Unless the meet information states otherwise, events seeded on the deck shall be closed for seeding no later than thirty (30) minutes prior to the start of the event except that individual events of 400 yards or longer may be closed for seeding up to twenty four (24) hours before the expected start of the event if the check-in/scratch deadline occurs after the beginning of the meet and is announced in the meet information.

204.3.4 Exception for Failure to Compete - No penalty shall apply for failure to compete in or scratch an individual event if:

- A The Referee is notified in the event of illness or injury and accepts the proof thereof.
- B The swimmers qualifying for an A final or B final race based upon the results of the preliminaries notifies the Referee within thirty (30) minutes after announcement of the qualifiers of that final race that they may not intend to compete and also declares his final decision whether or not to scratch within thirty (30) minutes following his last individual preliminary heat, swim-off, or re-swim.
- C It is determined by the Referee that failure to compete is caused by circumstances beyond the control of the swimmer.

Senior Session Finals:

There will be five separate Finals heats for athletes on Saturday and Sunday evening with five heats of women and five heats of men qualifying for each Finals event. Finals will be swum in the following order:

- A Final - fastest 8 athletes regardless of age
- B Final - fastest 8 remaining 13 year-olds
- C Final - fastest 8 remaining 14 year-olds
- D Final - fastest 8 remaining 15 year-olds
- E Final - fastest 8 remaining 16&over and 12&under athletes

Positive check-in is required for the top 40 swimmers to declare intent to compete in Sunday Finals.

12&unders who compete in the senior sessions will only be eligible for the A and E Finals.

Age Group Sessions:

The 12&Under 200 yard events in the Age Group Sessions all have a 3:30 time standard. A 12& Under swimmer must have a time of 3:30 or better in each 200 event entered to be eligible.

All Age Group event results will be tabulated for individual age groups (8 & Under, 9-10, 11-12, 13-14, and 15-18).

Distance Events:

All events 400 yards and longer will be deck seeded. Positive check-in for those events will be required and will close 30 minutes after the start of warm-ups for that session. Swimmers who do not check in by the deadline will be scratched and not seeded in the event.

The 1650 yard Free, 1000 yard Free and 500 yard Free will be swum fastest to slowest alternating women then men unless these events are conducted simultaneously in different courses. Athletes may enter either the 1650 Free or the 1000 Free but not both. The 1650 yard Free and 1000 yard Free events will be swum as timed finals at the end of the Sunday morning session.

The 400IM will be swum in the following order: fastest 4 heats of women then fastest 4 heats of men, swum from slow to fast with the final three of these 4 heats circle-seeded and then all remaining heats fastest to slowest, alternating women then men unless these events are conducted simultaneously in different courses

Each swimmer in the 400 IM, 500 Free, 1000 Free and 1650 Free must provide their own counter and may be requested by the meet host to provide their own timer.

Relays:

All swimmers entering relays must be listed on the entry sheets. Any relay scratches should be indicated on the session scratch sheet and on the relay sheets/cards. Relays will be deck seeded and posted along with the individual events.

Relay entries for the Age Group Sessions should be by standard age groups (8 & Under, 9-10, 11-12, 13-14, and 15-18) and will be seeded and swum by entry times.

Relays for the Senior sessions on Saturday and Sunday will be swum as Timed Finals.

Teams have the choice of swimming relays during either the prelim or finals session

each day. Swimmer's ages will determine whether the relay scores as 14 & under or 15 &

over. Any unattached swimmers competing on a relay will cause the relay to be disqualified.

Relay sheets with the names and order of the relay swimmers must be delivered to the clerk of course by the completion of the 4th event for that session.

Senior 200 Free Relay Friday - NLT the conclusion of the 50 freestyle;

Senior 200 Medley Relay Saturday - NLT the conclusion of the 50 butterfly;

Relay sheets submitted for the Senior sessions Saturday and Sunday should indicate whether each relay will swim during prelims or finals as appropriate.

Competition Courses:

All sessions will be swum in either an 8-lane or a 10-lane competition course. Meet management reserves the right to conduct a given meet/session in either course as necessary to best serve the athletes, officials, and families and comply with timeline constraints.

Timeline and Meet Entry Constraints:

Meet Management reserves the right to combine events as needed and reserves the right to limit the number of heats in any event 400 yards or longer as well as the right to limit overall entries in order to maintain reasonable and allowable timelines. If entries for the 1650 free and the 1000 free are limited, at least one heat of each event will be swum for 14 & under men, 14 & under women, 15 & over men, and 15 & over women.

Unqualified Entries:

It is an infraction for NCS clubs to enter athletes in an event in an NCS sanctioned meet without the relay or swimmer meeting the minimum required qualifying time for that event. Any such unqualified entries, those that do not meet the stated time standards, may be subject to protest and/or a fine from NC Swimming. Unqualified entries identified prior to the start of the meet will be scratched without refund. An unqualified entry is defined as an entry for an event with a qualifying time standard that cannot be substantiated by results available in the USA Swimming database at the time of the meet entry deadline.

Safety: The NCS Safety Program is in effect for this meet. Coaches are advised to closely supervise their swimmers at all times. **NO running or horseplay will be tolerated. NO blocking of fire exits, which includes doors and passages.**

Access to the pool deck is restricted to athletes, credentialed coaches and officials, pool staff, and meet volunteers only. No other individuals will be allowed on the pool deck during warm-ups or competition.

Eligibility:

General:

All athletes must be registered with USA Swimming, Inc. Registrations will be checked according to NCS rules. Out-of-LSC clubs must submit an official copy of their roster along with their entries. There will be no on deck registration available at this meet.

Any swimmer entered in the meet, unaccompanied by a USA Swimming member coach, must be certified by a USA Swimming member coach as being proficient in performing a racing start or must start each race from within the water. It is the responsibility of the swimmer or the swimmer's legal guardian to ensure compliance with this requirement.

Athletes may compete in either the Senior Sessions or the Age Group Sessions, provided they meet the eligibility requirements, but may not compete in both Senior and Age Group Sessions.

Senior Sessions:

Swimmers who have achieved a 13-14 A time in two or more strokes (IM is considered a stroke; freestyle and sprint freestyle are considered separate strokes) are eligible to compete in the Senior Sessions and must have achieved at least the 13-14 AA time in each event 400 yards or greater to be eligible for those events. 12&unders who compete in the senior sessions will only be eligible for the A and E Finals.

The 50 yard events have no time standard eligibility requirements. However, athletes swimming any of the 50 yard events must be qualified in at least one event greater than 50 yards for this meet.

Athletes meeting the 500 Free qualifying time standard will be eligible to compete in the 1000 Free or the 1650 Free.

Age Group Sessions:

Swimmers not qualified for the Senior Sessions may swim in the Age Group Sessions.

The 12&Under 200 yard events in the Age Group Sessions all have a 3:30 time standard. A 12& Under swimmer must have a time of 3:30 or better in each 200 event entered to be eligible.

Entries:

General:

All entries should be submitted in Hy-tek format, and will be matched to the appropriate event by the event number. Entries may be submitted via email. However hard copies of each entry, showing the swimmers' ages as of December 2, 2011 must be included in the normal post delivery along with the summary sheet, team checklist and payment. Teams are encouraged to contact the Meet Director as soon as possible with an estimate of the number of athletes they intend to enter if they plan to participate in this event and to submit their entries as soon as possible to ensure their participation in the meet.

All final entry information must be received by 5 p.m. on Tuesday November 22, 2011. NOTE: It is HIGHLY recommended that all entries be submitted by Friday, November 11, 2011 as this meet has a history of filling early.

Teams will be required to resubmit their entire corrected meet entry file to resolve any meet entry issues as the meet staff does not have the capacity to correct entries for individual swimmers or events. If meet entries must be limited, they will be accepted in the order in which final and completely correct entry files and complete payment of all entry fees are received until the meet capacity is reached.

Teams will be notified upon receipt of their entries. Note that this does not imply acceptance, which will be determined after all entries are received and the preliminary session timelines can be fully evaluated to determine meet capacity. Notification of any entries that can not be accepted will be made as soon as possible.

There will be no "ON DECK" registrations accepted. **Swimmers whose registration can not be confirmed by 6:00 p.m. Thursday, December 1, 2011 will not be allowed to swim in the meet, and their entry fees will not be refunded.**

'NO TIME' entries WILL NOT be accepted for this meet. Swimmers with NT events should be entered with their estimated times. Any NT entries will be scratched, and entry fees will not be refunded. Note however that estimated times should NOT be used to 'qualify' swimmers for an event where there is a minimum time standard as that is an infraction of NCS By-Laws and may be scratched without refund or subject to protest and/or a fine (see above).

Entries for the Senior and 13 & Over 50 yard stroke events (backstroke, breaststroke, and butterfly) should be submitted using 50 yard event times. Estimated 50 yard times will also be accepted. Submitting corresponding 100 yard event times may result in an athlete being seeded in the slowest heat(s).

Entries for the Senior and 13 & Over 100 yard IM should be submitted using 100 yard IM times. Estimated 100 yard IM times will also be accepted. Submitting corresponding 200 yard IM times may result in an athlete being seeded in the slowest heat(s).

Entry Limit:

General:

Swimmers who are entered in more than the allowed number of events will be automatically dropped from the event(s) that put the swimmer over the limit. No refunds will be given for inappropriate entries.

Senior Sessions:

Swimmers competing in the Senior Sessions are limited to 4 individual events per timed final session, 3 individual events per prelim/finals session, and 1 relay per day **NOT TO EXCEED 10 INDIVIDUAL EVENTS FOR THE MEET.**

Age Group Sessions:

Swimmers competing in the Age Group Sessions are limited to 5 individual events per timed final session and 1 relay per day **NOT TO EXCEED 10 INDIVIDUAL EVENTS FOR THE MEET.**

Entry Deadline:

Teams are encouraged to submit their entries early to insure that they get into the meet before it fills up. Entries will close the earlier of:

- (a) **5:00 p.m. Tuesday November 22, 2011** or
- (b) when the sessions reach an estimated 4 hours in length.

Swimmers will be entered into the meet in the order entries are received as long as entry fees are received by Tuesday, November 22, 2011. A completed entry summary sheet should be included with the payment. Teams with unpaid entry fees on Tuesday evening, will drop to the bottom of the list, potentially removing them from the meet if we need to turn away entries to stay within the 4 hour rule.

Telephone entries and fax entries will not be accepted. Entries will be time-stamped upon receipt in the event that we are unable to accommodate all teams and need to limit entries. Late entries may be accepted at the discretion of the Meet Director but will be charged double entry fees. As the meet capacity is met, teams will be notified by telephone or email if their entries cannot be accommodated, and entry fees will be refunded. **NO OTHER REFUNDS WILL BE MADE.**

Entry Fee:	Individual events-Senior	\$3.50 per event / \$4.00 for out-of-LSC entries
	Individual events-Age-group	\$2.50 per event / \$3.00 for out-of-LSC entries
